Aménagement

- Gazon de plaquage

- Enrobé

Echelle : 1/600

The figure shows an aerial photograph of a residential neighborhood with two football fields overlaid. The top field is a standard rectangular pitch with a width of 68.00m and a length of 108.00m. The bottom field is a larger, more irregularly shaped pitch with a width of 68.00m and a length of 108.00m. Both fields are marked with standard football pitch lines, including the center circle, half-way line, and goal areas. The surrounding area includes houses, trees, and a road.
